#### **Relevant Experience**

Meta, New York, NY Technical Support Engineer Dec 2021 - Aug 2023

- Contributed to a Stevie Award-winning team of Support Engineers for two consecutive years to provide unparalleled service to the engineers of over 200 teams utilizing Kustomer's help desk software.
- Reached SME status for the following categories: Kustomer App Development, Helpdesk Chat implementation (iOS, Android and web SDKs), Data Migration from competitor CRMs and Event Analysis via Kibana and other backend software.
- Improved Support ticket feedback and issue resolution times by 12% year over year for both EU and East Coast teams,
   leading to numerous praises and contributed largely to retention rates and overall ARR.
- Conducted workshops, troubleshooting sessions and success meetings with dedicated clients alongside other CS
  departments to orchestrate 3 successful large-scale launches, receiving immaculate feedback through
  post-implementation and beyond.
- Developed new in-house conventions to enhance interaction between Support agents and their daily workload dashboard via the Support Ops team, increasing agent engagement with a database collection of over 500 support articles.

## Sip Fine Wine, Brooklyn, NY Storefront Web Developer & Retail Store Manager

June 2018 - Mar 2020

- Restructured the online storefront of a classic neighborhood institution in need of an overhaul. Responsible for initiating delivery and online sales via Shopify.
- Curated a rotation of expertly picked wines for a niche audience and re-invigorated interest in a previously tired business

# Some Good Wine, New York, NY Web Management & Sales

Jan 2017 - June 2018

- Developed a web platform using BevMedia and the Shopify API which became a well-received and highly effective storefront
- Ordered wines for weekly inventory demands and educated customers during customer tasting events
- Maintained a quarterly newsletter which spoke of rotating offers from distributors as well as detailed descriptions, tasting notes, etc
